**Patients, or legal guardians of patients under the age of eighteen, MUST sign and date all paragraphs below before medical care can be rendered.**

## **Release of Medical Information**

I authorize the release of medical information to my primary care or referring physician, to consultants if needed, and as necessary to process insurance claims, insurance applications, and prescriptions.

## **Financial Policy**

Payment is required for all services at the time they are rendered unless the patient is in an insurance plan with which we participate. For those patients, applicable co-payments, deductibles, and co-insurance will be collected for services rendered. Once our office has received payment from your insurance, if for some reason insurance decides to pay your charges at a higher benefit level than what was quoted to our office at the time of service; we will then issue the patient a refund for the over payment amount or apply a credit on the account. **In an effort to ensure the most accurate refund amount please be advised that our office cannot issue any refunds until all line items have been finalized by your insurance.**

We accept payment in the form of cash, check, Visa and MasterCard. In the event that your account must be turned over to collections, a \$25.00 collection fee will be added to your account. For consultations which are missed or cancelled with less than 24 hour notification, there may be a \$25.00 missed appointment fee added to your account. For surgery cancelled with less than 24 hours notification, there will be a \$100 missed appointment fee. Your signature below signifies your understanding and willingness to comply with this policy.

I have read and understand the financial policy statement. I agree to make in-full prompt payment to Dr. Gilbert T. Selkin, MD when billed for any and all charges not covered or paid by valid insurance benefits for and in consideration of services rendered. Further, I authorize payment directly to Dr. Gilbert T. Selkin for medical insurance benefits payable to me under the terms of my policy but not to exceed the balance due for services performed for my treatments.

I authorize release of any information concerning my (or my child's) health care, advice, and treatment provided for the purpose of evaluating and administering claims for insurance benefits. I hereby authorize payment of insurance benefits directly to the doctor, or dental group, otherwise payable to me. I understand that my dental care insurance carrier or payor of my dental benefits may pay less than the actual bill for services. I understand I am financially responsible for payments in full of all accounts.

In addition to the above, if I am a Medicare patient, I authorize any holder of medical or other information about me to release to the Social Security Administration and Center for Medicare and Medicaid Services, or its intermediaries or carrier, any information needed for this or a related Medicare claim. I permit a copy of this authorization to be used in place of the original, and request payment of medical insurance benefits either to myself or to the party who accepts assignment. Regulations pertaining to Medicare assignment of benefits apply.

## Some facts about Dental & Medical Insurance

Over 50 % of patients seeking dental care have some type of Dental Insurance- Or dental “Assistance”, as it should be called. Like Medical Insurance, **dental insurance is designed to pay only a portion of the cost of dental treatment.**

**Your employer** has made this coverage available to you, and the type of benefit you receive depends upon the type of contract that was chosen with the insurance company. Your employer buys a special contract at a special fee (or premium) and includes as many or as few benefits as the employer is willing to pay for.

**Keep in mind that your oral surgeons fees or services are in no way reflective of what your insurance deems to be “Usual and Customary” by your insurance company, because remember....your employer selected your plan for you, not your oral surgeon.**

Benefits vary from policy and the premiums that are paid are usually reflective of your individual plan. (I.e. Higher premium= Higher usual and customary rates and fewer exclusions and limitations)

**Unfortunately it would be impossible for Dr. Gilbert. T. Selkin to determine each and every patient’s policy provisions and limitations. While we are happy to assist you in filing your claims, please keep in mind that is offered as a courtesy. We will file your insurance for you but if they do not pay within 60 days, it is your responsibility to pay our office and follow up with your dental and medical insurance.**

Occasionally there are services that are selected that are “Non- covered” services which vary from plan to plan and policy to policy.

Some services may include but are not limited to the following:

X- Rays

- Panorex

- Periapical

Dental implants & wisdom teeth extractions

Extractions

Sedation

Biopsy & excision of oral lesions

**Your oral health should NEVER be dictated by what your dental or medical insurance will or will not cover. Please allow us the opportunity to answer any questions that you may have regarding your insurance coverage.**

### Surgery Cancellation Policy Effective 12/01/2010

**Patients, or legal guardians of patients under the age of eighteen, MUST sign and date below before medical care can be rendered.**

At the Facial & Skin Surgery Center we strive to provide the best and most complete patient care. In an attempt to preserve patient care, we have a Surgery Cancellation Policy that allows us to schedule appointments for all patients. When a surgery is scheduled, that extended period of time has been set aside for you. When it is missed, that time cannot be used for surgery for another patient, or filled with appointments for patients that urgently need the care.

We request that you please give our office 24 hour notice in the event that you need to reschedule or cancel your surgery with the physician or physician assistant. This allows other patients in need of care to be scheduled in that appointment time. It also makes it possible to reschedule your appointment more efficiently. Patients failing to provide 24 hours notice that they can not make their surgery as scheduled will have a charge of \$100 added to their account. Please note that this charge is the financial responsibility of you, the patient, and will not be paid by your insurance company. We thank you for your cooperation in this manner so that each patient can receive the treatment and medical attention that they need and deserve.

**I have read and understand the Medical Appointment Cancellation Policy of the practice and I agree to be bound by its terms. I also understand and agree that such terms may be amended from time-to-time by the practice.**

I have read, understand, and will comply with the Facial & Skin Surgery's Surgery Cancellation Policy.
